GOLD HOME CARE
SERVICES
WE BRING GOLD STANDARD HEALTH CARE TO YOUR HOME

Introduction

We at GHC progress jointly for a purpose. A mark that will, in turn, revolutionized healthcare. A purpose that will attain an impact on society. We want to assure that our patients are guided in the right direction to reach better health. We believe in changing the way cases are treated. Healthcare is everyone's right to claim and we're here to make homecare accessible to all with at most quality and budget-friendly.

GHC VALUES

HONEST and SIMPLE: To make available to all. As a brand, we do this by being inclusive and HONEST in everything we do. We are personal and friendly in our approach and seek to be helpful at all times.

CONTINUOUS HEALTHCARE: There's no stopping in our health care, and the same goes for our brand. We are dedicated, INTELLIGENT, and spirited. We speak to our patients with conviction. And we believe in never stop treating.

SPIRITED: This is what we're all about, but not just in the obvious ways. Yes, we have a lot of doctors, medical equipment, and trained attendants to facilitate treatment.

Mission

Gold Home Care, a home care platform present to make quality healthcare affordable and accessible. We strongly believe that nobody should be declined healthcare due to financial or infrastructural limitations. Our technique extends beyond the hospitals to improve patients, families, and communities Health.

Vision

To create a Home Care Platform that is Accessible and Affordable to Patients from all walks of life. To continue adding more doctors into our Homecare that will help patients. To innovate more ways to ease the process of health. To help our patients to Reach better lives tomorrow.

“Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around.”

—Leo Buscaglia

GOLD-STANDARD REHAB CARE AFTER SURGERIES

Gold Home Care is a pioneer in providing best-in-class rehabilitation care through our chain of residential care centers across Bangalore. Recovery from an illness or surgery is care-intensive and multi-dimensional. Post-discharge from the hospital, one needs to have the right mix of care and supervision to ensure a speedy recovery. Along with proper medical care, mental and emotional rejuvenation is equally important. They deliver comprehensive rehabilitation care in a perfectly safe and secure surroundings.
